

General information Aegean Airlines

Aegean Airlines Aegean Airlines, is the largest Greek carrier providing premium quality short and medium haul services. The Company has invested heavily in state-of-art, brand new Airbus A320/321 and it's worth noting that Aegean's 2015 schedule includes a network of 134 destinations in 42 countries and Greece with 15,000,000 available seats, 2 million more seats than in 2014. Aegean Airlines flights are performed with one of the youngest fleets in Europe, comprising 56 aircraft. Aegean Airlines carried 6.8 million passengers in 2013. Since June 30, 2010 it is a member of STAR ALLIANCE, the strongest airline alliance worldwide. The Company has been honored in 2014 and for the fifth time in six years with the Skytrax World Airline award, as the best European regional airline. Since October 2013, Aegean Airlines is owner for 100% of Olympic Air which constitutes now a subsidiary of Aegean Airlines. Total traffic of both companies reached 8.8m passengers in 2013.
