

SAS Scandinavian Airlines

General information SAS

At SAS we value our customers' time greatly. We try our hardest to make flying a simple and flexible experience for our customers without compromising their security. Innovation has been a core value in our business strategy for years. SAS is an airline that creates new trends, markets and technologies. SAS was also Europe's most punctual airline in 2010, 2011 & 2012. Welcome onboard Scandinavian Airlines!
