

General information TAP Portugal

TAP is the leading Portuguese airline, it has been flying since 1945 and has been a member of Star Alliance since 14 March 2005. Its Lisbon hub is a key European gateway at the crossroads of Africa, and North and South America. TAP is the number one airline between Europe and Brazil. Currently the Portuguese airline has connections to 88 destinations in 38 countries. The company's Portuguese character, brand and the quality of service as a basic concept have been the main factors driving TAP's strategy over recent years, and which have been justified by the many awards that have won from national and international bodies. TAP was named the World's Leading Airline to Africa by the World Travel Awards in 2011, 2012 and 2014. It was named the World's Leading Airline to South America in 2009, 2010, 2011, 2012 and 2014.
