

WIDEN YOUR WORLD

General information Turkish Airlines

Turkish Airlines was chosen as the winner of the 3 categories by Skytrax; 'Best Airline in Europe' for the 4th consecutive time, 'Best Airline in Southern Europe' the 5th year running and was also named as the winner in the category 'Best Business Class Catering', plus received the Best Business Class Catering award. Presently Turkish Airlines has a fleet of 261 aircrafts with 207 more aircrafts on order. Turkish Airlines continues to consolidate its position as one of the world's leading airlines by significant investments made in recent years, the awards received, impressive growth figures, large-scale aircraft orders, a continuously expanding route network and innovative approaches that are constantly improved. 'Expansion' is a constant motto for Turkish Airlines. Turkish Airlines main hub is Istanbul, the unique geographical position of the airport makes it ideally positioned to be a global connection point to an extensive beyond Turkey's network. Turkish Airlines transported in 2014 over 55.3 million passengers to over 240 destinations.
